Need a bit of bespoke? Step this way

Henry Herbert

What they say: Henry Herbert is a scootering tailor service. We use our fleet of Vespa's to meet clients wherever and whenever is good for them. We bring with us our measuring tapes, fabrics, chalk and pins. And if our scooters don't get us there, a train, plane or automobile will!

What we say: An incredibly convenient, and affordable tailoring service. An extremely well dressed man appears at your door, you choose the fabric, cut, length feel, and then a few days later, it appears on your doorstep. Uses beautiful Egyptian cotton for the shirts, and British grown and spun wool. Specialises in waistcoats, suits, shirts, overcoats, weddings, and alterations.
